Mt. Sinai Shriners #3

From the Potentate's Desk

Ladies and Fellow Nobles,

As we are going into the third month of the New Year, Lady Karen and I would like to thank you for all your support for us and most importantly, to your Shrine center.

Our first divan meeting was held on February 6, 2018 and we are making progress toward this year being a great year. There are three things that make a Shrine Center run: membership, fundraising, and participation in events. Unfortunately, we are down on two of the three.

Membership is down like many Shrine Centers.

As you know we need to bring in some new members. If our membership numbers drop below three hundred we become a Shrine club and lose our charter. Fundraising is down due to the lack of ticket sales. Our first fundraiser is going into its third month and we have only sold ninety-four tickets. Plain and simple, if we do not have fundraising we do not make budget, and if we do not make budget, we cannot pay our bills. If we run out of money, game over. Jim Smith has asked that all tickets be turned in as of April 6, 2018. The drawing will be on April 14, 2018 at

our Spring Ceremonial. We then start our next fundraiser for a Black Powder rifle.

On a better note, it was good to see the two units that were scheduled to be at bingo there in support of our biggest

fundraiser. So, I am seeing some participation. Soon I will be off to the NSA mid-winter meeting with Illustrious Sir PP Shawn Kincaid who will be accompanying me as our Chief Rabban will not be able to attend due to work reasons.

Due to the sale and disbandment of the Vermont Bucks Football team, the game that was to be played where Mt. Sinai #3 was to be the guest, is cancelled. If anyone is planning to attend the 50th Anniversary for Shriners Children's Hospital in Boston on April 7, 2018 the date has been changed to April 21, 2018.

Parade season will be upon us soon. Turn in your parade schedules and share them amongst the other parade units so we can have a great Mt. Sinai #3 showing at each parade.

Thank you.

Important Fundraising Update

Please, we have only collected about \$500, there is still about \$2,750 still outstanding.

Remember what isn't sold you are responsible for buying... support your Temple and sell those tickets....

We are down to just about 2 weeks to go for all ticket stubs and money to be returned to me. We have collected about 1/4 of what has been handed out. Please return what you have sold with the stubs and money to:

Jim Smith
925 Texas Hill Rd
Huntington VT 05462

I would also ask for any Noble that still has unsold tickets to let me know ASAP as we have other Nobles looking for tickets to sell.

We are a Team so let's make this a success for our Temple.

Tabs Collected by the O'Donnell Family

The Dennis O'Donnell family of Fairlee, VT, delivered over 580 lbs. of collected aluminum can tabs to the Mt. Sinai #3 office recently. By going through this process before being shipped off to the the recycle company, they don't get penalized for metal tabs. Sinai Joes' recently took two trailer loads of tabs, totaling (44) fifty-five gallon drum barrels to the recycle center in Massachusetts. The total weight came to 5,130 lbs. Monies from this large amount of tabs, goes directly to Shriners Hospitals.

A pile of tabs collected by Mr. O'Donnell's family of Fairlee, VT.

FUND RAISERS? DUES INCREASES? CONSOLIDATION WITH ANOTHER SHRINE CENTER? THE CHOICE IS YOURS.

Greetings Nobles and Ladies,

As the Chairman of The Bingo Committee I see a lot of how the finances of the Shrine Center are working. And we are reaching a point where we are, in my opinion, in trouble.

Rent for the office and meeting space, insurances, moneys to Imperial, etc., must be met or we cannot function as a Center.

There are three ways we bring in money. Dues, Fundraisers, Donations.

Current dues. These dues only bring in about half of what is needed to run the Center. Many reasons here. Declining membership from deaths and fewer men joining, Demits, Suspension, Aid to Nobles that can not pay dues due to hardship, members that qualify for waived dues for years of service.

Donations. We receive some but not many and those are usually directed donations to the Hospitals.

The other half has to come from somewhere and that somewhere should be fundraisers or donations. Currently our

major fundraiser is the monthly Bingo game. Attendance has been going down at the game due to a number of reasons, the economy and other games in the area are part of that. Lack of help getting the word out is also part of it. We need more players and the only way to do that is to help spread the word. Flyers and posters and word of mouth. There is a core group of people that help every month with Bingo and I hope asking others to go out and put up posters/flyers and talk up the Bingo is not too much to ask. On the Saturday/Sunday before Bingo I try to put up flyers/posters in the Washington, Chittenden, Addison county areas. So far I have only run into ONE flyer in any area that was put up before I got there. We do have a direct mailing, an e-mail mailing, a facebook site and advertising.

We currently have a Shot Gun Raffle going. As of the date of this writing with one month to go (3-2-18) only 94 tickets out of 400 have been returned as sold to the chairman of that fundraiser.

I put to the Nobility a question. Do we get

other people's money to run the Center by Fundraising? Or by Dues increases? Or do we throw in the towel, and start looking to merge with another Shrine Center? I know many are now upset with that question but it is a real concern. We are reaching a point where we are in trouble and need to make some hard choices. Our Fraternity is a great one and it supports a great Philanthropy but like everything else in this world it needs money to run.

I urge everyone to think on this. Come to the meetings and voice your opinion. Help with the fundraisers.

I don't want YOUR money, I want your friend's and neighbor's money and that only happens with fundraisers that we all work on. If everybody does a little no one has to do a lot.

Thank you for taking the time to read and think about this. I hope to see you all at the meetings, parades, fundraisers.

NorthEast Camel Caravan Annual Camping Weekend

The NorthEast Camel Caravan promotes fellowship among members of the Shrine who enjoy camping. Membership is open to any Noble, and his family, in good standing in a Northeast Shrine Center. Originally the NorthEast Camel Caravan had members from throughout New England. We currently have members from Aleppo, Bektash and Kora Shrine Centers.

Our annual meeting and camping weekend will be held on June 1-3, 2018, at Bayley's Camping Resort in Scarborough, Maine. The weekend includes campfires, a pot luck breakfast and supper, Chinese auction and time to explore the area or just relax. Anyone wishing to join us for the weekend, should make reservations directly with the campground -- Bayley's Camping Resort, 52 Ross Road, Scarborough, Maine 04074 - (207-883-6043). Be sure to mention you are with the Camel Caravan on Row C.

Come enjoy a weekend of good fellowship, good food and good times around the campfire. If you decide to join the Camel Caravan, our membership dues are reasonable (\$5.00 application fee and \$5.00 annual dues).

For more information, please call Noble Fred Simmons at 603-475-7410 or email nansimmons@comcast.net.

Princess Anna's Visit to Shriner's Hospital for Children Springfield

Springfield Shriners Hospital patient, Lily, told our child life staff about her sister's recent trip to a Disney on Ice show, where Princess Anna was featured, and that she wished she could have been there to see her.

Our team worked their magic, and arranged to have Princess Anna make a very special visit to the hospital to meet Lily, while stopping in to say hello to the other patients along the way! Lily's parents were extremely appreciative of the staff's efforts on behalf of Lily who is recovering from surgery.

Princess Anna happens to be Springfield Shriners Hospital employee, Neelie Goewey, who loves to get into character and spread joy to our patients and families. She was delighted to make Lily's wish come true and bring big smiles to other inpatients. Neelie also showcases her talents each year at our annual Walk for Love Walkathon, where she has dressed up as Princess Bubblegum, Princess Anna, and Rapunzel!

Introducing our New Vice President of Research Programs

Marc Lalande, Ph.D.

We are pleased to welcome our new vice president of research programs for Shriners Hospitals for Children, Marc Lalande, Ph.D. Dr. Lalande comes to us from the University of Connecticut, where he served as the HealthNet professor and chair, Department of Genetics and Genome Sciences, School of Medicine; director of the Stem Cell and Systems Genomics Institutes, and executive director of Genomics and Personalized Medicine programs. Previously, he was an associate professor of pediatrics at the Children's Hospital, Harvard Medical School in Boston. While in Boston, he began researching molecular genetics of pediatric neurodevelopmental disorders.

Dr. Lalande earned both his doctoral and master's degrees in medical biophysics from the University of Toronto in Canada, and his undergraduate degree at Laurentian University – Sudbury, also in Canada.

Real world experience

Dr. Lalande has been interested in nature since childhood – wondering what's in the sky and why animals behave as they do, and mulling over the infinite differences in people. This curiosity eventually led to the study of physics and biophysics. Interestingly, he never took an academic course in genetics – everything he learned was from a hands-on approach, especially in the laboratories. He has worked on separating chromosomes to learn more about genetic disorders, and his physics background made it possible for him to design an instrument that helped with this work.

“Understanding the genetics of a condition is the starting point – when you find one genetic answer, it is like a key that can lead to the discovery of new partner molecules, and then to a network of answers that can ultimately lead to new therapies,” said Dr. Lalande. “Genetics is complicated. For example, the cystic fibrosis gene was discovered in the 1980s, and we are just now seeing the development of therapies.”

Expanding research capabilities

As he begins to lead the research effort of Shriners Hospitals for Children, Dr. Lalande is “interested in enhancing the collaboration of the physicians and the scientists, and in advancing our research mission.”

Dr. Lalande believes that while people are aware of the medical work of our health care system, they are much less cognizant of our contributions to medical knowledge via research.

“My goal is to raise our research profile and promote our efforts in a more Shriners Hospitals-centric manner,” he said. He also hopes to encourage more multisite research efforts that involve several hospitals in a single endeavor. “What I hope to see is Shriners Hospitals labeled research with a national impact that combines the efforts of researchers and clinicians.”

While Dr. Lalande is enjoying his new role at Shriners Hospitals' corporate headquarters in Tampa, Florida, he is experiencing a little bit of culture shock. “There is a big difference – especially in the temperatures and the traffic volume – between Tampa and Farmington, Connecticut,” he said with a smile.

Dr. Lalande and his wife, Christine, have been married for 43 years and have two grown children, Frederick and Alexia, whom they hope to entice to join them in Florida someday, and two grandchildren.

We are pleased to have Dr. Lalande on our team and look forward to his impact on our research program, which funded 166 projects in 2017.

Shriners Hospitals for Children — Boston promotes self-confidence with reconstructive makeup clinic

Shriners Hospitals for Children — Boston is dedicated to the care of children and recognizes that reducing scar visibility is an important part of the healing process for burn survivors. That's why one of the many resources that Shriners Hospitals for Children — Boston offers burn survivors is a makeup clinic.

Experienced makeup artist Robin Liebowitz, who is certified in reconstructive and corrective makeup, works with the therapeutic services team to host a weekly clinic. Each week, Liebowitz teaches both male and female patients how to apply makeup that softens the appearance of scars.

The clinic provides all participants with a waterproof foundation that is carefully matched to each child's skin tone and is used to help patients achieve a natural appearance. The foundation stays on even when

kids go swimming or sweat while playing sports. Fresh makeup is provided whenever a patient runs out, and Liebowitz offers different pigment options for patients whose skin changes colors with the seasons. The clinic is a wonderful support service that helps promote self-confidence and is often the final touch patients need to heal.

One patient, Liebowitz recalls, came to the makeup clinic wearing a baseball hat and

a jacket he had buttoned all the way up. “He was so sad when he came into my room,” Liebowitz says, “But, by the time he left, his jacket was unbuttoned and his hat was off and he had a huge smile on his face.” The clinic is an important resource for kids with visible scars, and is a valuable non-surgical solution to scarring that helps patients become more self-assured and comfortable. “I

love to see the kids feeling more confident after having a makeup visit with me, and I know it's just a little something that makes this world an easier place for them to face.”

For more information about the makeup clinic, scar treatment options and additional support services at the Boston Shriners Hospital, please call 617-722-3000.
