Mt. Sinai Shriners #3

From the Potentate's Desk

Ladies and Fellow Nobles,

As we are starting the busy time of the year which includes parading, visiting other shrine centers, or participating in other shrine or family events, let us remember to be safe in our travels while we are out and about.

So far the year is going well and Lady Karen and I would like to thank you for supporting us and most importantly, your Shrine center.

We held the drawing for the shotgun raffle on April 14, 2018 at our Spring Ceremonial. The winner was our own Oriental Guide Noble Dexter Rowe. He kindly donated the shotgun back to Mt. Sinai to be used as a prize along with the rifle raffle starting in July. I would like to thank our Oriental Guide Jim Smith for all his hard work at making this fundraiser a great success.

I would like to thank Past Potentate 2012 Illustrious Sir Shawn Kincaid for being a representative at the NSA mid-winter meeting in Rutland, Vermont.

In April, Lady Karen and myself and had the pleasure of being accompanied by Our Chief Rabban's Lady Angelique and their daugh-

ter Alexius to the 50TH Anniversary for Shriners Children's Hospital in Boston, Massachusetts on April 21, 2018. What a great hospital. We were able to meet up with our Boston Hospital Representative William Tinney

while there.

On May 5, 2018 we attended the Melha Circus in Springfield, Massachusetts and afterwards went to the Springfield Children's Hospital in Springfield, Massachusetts for a tour. We had the pleasure of being accompanied by Our Chief Rabban's Lady Angelique and their daughter Alexius, Oriental Guide Noble Jim Smith and his Lady Laura and two children Keegan and Emily and Our Captain of the Guard Noble Scott Boyer and his Lady Jennifer with their three children Kristian, Kiela, and Kandace. We had a great time and encourage other Nobles and their families to make the trip next year.

We are greatly looking forward to being with everyone for the upcoming events planned out for the rest of this year.

Thank you.

Donald J Karlovich, Potentate

Recorder's Corner

#1—Candidates applications should be sent to the Temple office at least a couple weeks before a stated Ceremonial Meeting. Accompanying the applications should be \$52.50. If this process is followed, the Recorder can call the Dramadarie group to perform the 1st degree ritual at the upcoming Fall Ceremonial. Please follow this process and make life easier for all.

#2—Brianna Luman, daughter of High Priest & Prophet Gary Luman and wife Angela, was awarded a \$1,000 Mt. Sinai Scholarship for 2018. Brianna will be attending Champlain College in Burlington in the fall and

plans to study "Game Art and Animation". Over the past ten years Brianna has been involved in many Mt. Sinai Temple events, which is why she was an excellent candidate for the Mt. Sinai Scholarship. A few events were the Annual Toy Run, working Bingo, and attending her dad's Clowning participations. She is a world renowned Tae Kwon Do competitor here in the United States and Internationally. Congratulations to Brianna.

Fraternally yours,
Mike Gunn, Recorder

"My Pals Program"

Changing the World, One Heart At A Time

Dolls Recently Refreshed With Newly Updated Wardrobe

Many children with orthopaedic conditions treated by Shriners Hospitals for Children require orthoses, prostheses, and various assistive devices to improve their health and/or ability to function in the world. These same children, however, by virtue of being perceived as "different" by their peers, are twice as likely to be bullied, according to the National Bullying Prevention Center, impacting their educational, physical, and emotional development. In an effort to increase peer acceptance in a classroom setting, Shriners Hospitals for Children-Springfield developed and has been offering the "My Pals Program" to students in kindergarten through second grade for over 25 years.

Using dolls to illustrate different scenarios, the purpose of the program is to teach children to be respectful and courteous to their peers, regardless of one's differences in appearance. After the story-telling portion of the program, three different activities are presented to reinforce the lessons, for example students are given the opportunity to ride in a wheelchair and to use a walker.
