Sinai Joes Receive Donation of Can Tabs

Written by: Joshua Aldrich

My sons name is Kiptyn Ross Aldrich. We collect in the North Haverhill/Woodsville area and the out skirting towns as many of my friends and family contribute also. Some of our larger contributors are, Green House restaurant in Warren NH, Tempting Hair Designs in Woodsville NH, The Town of Haverhill Fire Department, The Haverhill PD, The Beer Knights Band and followers, The VFW in North Haverhill, Paul and Anna Gallien from Lyndonville VT, J&J auto care in North Haverhill, Neighbors, Friends, and family..

Like I was telling Scott, it started out just popping tops here and there, now it's a disease, an addiction, and all for the kids. As a Lieutenant on our town fire department, 25 years of giving back, now I can incorporate other folk to help just the same.

I've come to realize, and I tell people when they ask why we

collect. Well my son, at 13 months old, spent some time in the Chad unit at Dartmouth, I know it's not the actual same, but donations like this help, as our stay there was spectacular. And I also tell them the TAB has a purpose of help, it helps open the can, and helps open up opportunity and hope while staying at the Shriners hospital. I hope our contribution of tabs helps, and I have to thank Dave Cowens also, a friend, who collects in the Woodbury lake area. We are in competition of who collects the most. This years tab

amount was for two years, as COVID put a hindrance on getting them to you.

Mr. Aldrich turned in 275 lbs., which comes to 33,000 tabs in all. Nice donation for Mt. Sinai!

Note from the Potentate

Greetings All,

We are off and it seems to be parading season. There are a few happening and after 15 months Motor Corp was out in Highgate Vermont on Memorial Day. I also heard there was some clowning going on as well. Feels good to get out so people know there are still Shriners in Vermont.

We have some exciting news... Visitation is coming August 13-15th held at the Capital Plaza in Montpelier. This is open to all Nobles and Ladies. Divan in Tuxes, Nobles in suits and Ladies dinner formal.

Saturday August 14th is the 35th Annual UMV Toy Run. The motorcycles will be parading into Montpelier and stopping at the State House lawn. Shrine casual with Fez. It is great that we have partnered up with UMV for 35 years. If you can't make the visitation please swing by to show your many Thanks to them and their continued support to the Shriner kids.

Also in the wings is the Mt Sinai Calcutta. 200 tickets will be sold. Prizes and final pay out is \$1000. Please contact CR PP Bruce Pelletier for tickets. Also he is the point of contact to send the monies and tickets when sold. This is a Temple wide effort so please sell the tickets you have as we are still in need of funding for our great

Temple.

Lady Laura and the Ladies are still looking to sell Quilt raffle tickets to fund the Ladies program. Please show them our support as well. Remember Guys, we need them to support us so we should be supporting them. If you have sold tickets and monies please reach out to Lady Laura to get those turned in.

Seems that there is an Imperial Session in the air. July 3-9th Houston Texas here we come.

Hope all is well and Let's keep this Fun in 21 going with Mt Sinai Shriners.

O

Hi-Ho-Hi-Ho off to Highgate we go...

Motor Corp had it's first parade in 15 months in the lovely town of Highgate , Vermont on Memorial Day 2021. Great to see the many smiles and hearing the great sounds of them oohing and ahhhhing when we go up and over the limo. We had 7 go-carts on the road and many eager spectators enjoying themselves as much as we were enjoying ourselves. Here are some pictures to share from the parade.

Parade Season is in Full Swing

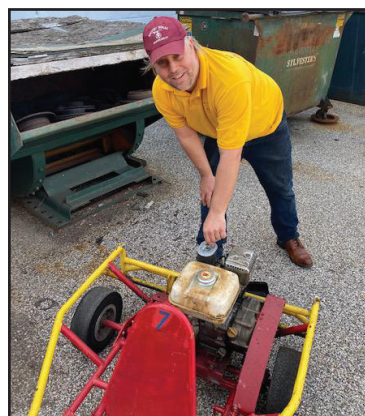

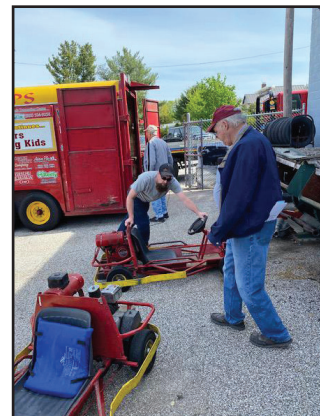

Camels in the Not Quite Independence Day parade in Waterbury, VT.

Motor Corp Start your engines.....

After filling up on breakfast and our long over due Annual Meeting we headed back to J&L Service Center to start working on our go-carts that have been so peacefully packed away for the last 15 months. After being watched by our Speed Specialist/Foreman Roger Spaulding and few squirts of magic spray and some strong pulls the sweet sound of motors were humming. Then came the urge to road test them and burn some much needed rubber. Fun was had by All and great to be back. Fun in 21.
