# Shriners Children's - Boston

'Tis the season at [Shriners Children's Boston](https://www.mountsinaishriners.org/)! Our wonderful staff hosted a festive, joy-filled gathering for our patients, their families and caregivers.

During this time of year, we cherish the opportunity to honor the traditions that hold special significance for children in our care, bringing comfort and a sense of home to those spending their holidays with us

# Chief Rabban Message

Greeting Nobles and Ladies,

Happy New Year to all. Lady Angie and I are looking forward to a fun year full of fellowship. Membership is at the forefront of my thoughts. I am open to any suggestions that anyone might have to help recruit new members. There is plenty of business needs ahead of us but also spending time enjoying each other is equally important. Looking forward to seeing many of you at Annual Meeting on the 10th!

Fraternally Yours,

## Hospital Board News

Greetings from Shriners Children's Boston,

Boston continues to ramp up for their visit from the Hospital accreditation, which has been slated somewhere between January and June 2026. Another piece to this venture is looking over the hospital policies on different daily tasks, which are broken down by who takes care of this, Nursing, Building Maintenance, and many more.

I had the great honor of delivering the bags of Toys and Gifts donated by our wonderful Bingo players. These are going to be used with the Child Life Department and also shared with siblings of our Patients receiving care. This is a win-win all the way around.

This was a great year of care from our outstanding Team of Doctors, Nurses, and many more staff members who roll into seeing the kiddo from start to finish here in Boston.

Happy New Year, and may 2026 bring joy to all. See you at the Installation on Jan 10th.

Jim, PP 2021

**#1—We have (230) regular members in Mt. Sinai Shrine Temple. They are also Masonic members. Now, why can't we recruit more members to Mt. Sinai Temple? The latest Shriner Magazine showed a Hikmat Shrine Temple in Brazil initiated (50) new members in one ceremony back in March of 2025.**

**#2—For the past (13) years, I have been your Mt. Sinai Recorder. At my advanced age, I feel it is time for a younger member to replace. So, that being said, I will retire my position as Recorder at the Annual Meeting on January 10th at Granite Lodge in Barre, Vt. My replacement, hand-picked by your present Divan, will be member Warren Whitney of St. Albans, Vt. Here's thanking you all for supporting me for the last 13 years. Mike Gunn, Recorder of Mt. Sinai Shriners Temple.**

# Letter from a Past Potentate

Nobles,

The biggest problem facing the Shrine and the Masons is declining membership. We are not taking in new members, and our current members are not staying with us. I can understand our members thinking, i.e., "I don't attend meetings, I don't participate with a unit. Why should I pay dues when I'm not involved?" Of course, the secret is: GET INVOLVED.

Did you join this great organization because a friend encouraged you to, or did you join because you heard great things about the Shrine and wanted to be part of the brotherhood? We have to keep in mind the important mission of this body; the support of our Shriners Hospitals for Children (Or as they are now called, simply Shriners Children's.). If you have visited one of these great institutions, you can't help but to feel the pride in what we are able to do. Just read the comments from a parent whose child has been given a new walk in life because of the treatment they received at one of our great hospitals or the testimony of one of our Patient Ambassadors.

However, if our membership continues the current downward path, will we be able to support these "Temples of Mercy". Wherever I have traveled in this world, I have met brother Masons and Shriners. They never fail to greet you warmly and, if you have a problem, they are quick to offer help and hospitality. Just recently, a family from out of state had a child that required treatment at the Vermont Medical Center. They didn't know anyone in the area and were stretched to afford lodging. He was a Mason. He contacted the lodge in Burlington. A Brother Mason stepped up. Took the family into his home and provided help as long as they needed it. That is what we do. I don't know about you, but I'm proud to be a member of this great fraternity and what it stands for.

Gerald Morong, PP
